The Canadian Association for Population Therapeutics presents:

“Drivers of Change: How HTA, Evidence and Policy Affect Perceptions of Value and Health Care Practice”

PROGRAM

November 2\textsuperscript{nd} - 4\textsuperscript{th}, 2014
Toronto, Ontario
DoubleTree by Hilton
108 Chestnut Street
Toronto, Ontario
CAPT MISSION & VISION

The CAPT Mission is to advance population-based research of therapeutic interventions to improve the health outcomes of Canadians by:

- Bringing together diverse perspectives
- Facilitating open exchange of ideas and collaboration, and
- Influencing policy and practice

The CAPT Vision is to become the recognized Canadian leader for linking population-based therapeutic research, policy and practice to optimize health outcomes.
